

Liste des revues et des produits de la recherche HCÉRES pour le domaine

SHS1 « ÉCONOMIE et GESTION »

Mise à jour le 30/01/2019

Les listes des revues constituent des outils d'évaluation propres à chacune des disciplines de recherche et dont l'usage demeure à l'appréciation des comités d'experts.

Ces listes sont mises en ligne au fur et à mesure de leur actualisation.

Elles sont complétées par une liste des autres activités et productions d'une unité de recherche retenues pour l'évaluation. Cette liste est elle aussi actualisée par la commission d'actualisation.

I. La commission d'actualisation

En 2014 une Commission plénière paritaire réunissant des représentants de l'Économie et des représentants de la Gestion était chargée de l'établissement et de l'actualisation d'une liste commune de revues pour ces deux disciplines. Le 10 septembre 2014, elle avait voté les principes de constitution d'une liste commune de revues pour l'Économie et la Gestion :

- la liste est constituée par fusion des listes classées de revues du Collège scientifique de la FNEGE (dernière version publiée) et de la section 37 du CoNRS (dernière version publiée). Le classement se fait en 3 catégories : A pour les revues classées 1*, 1e, 1g, 1eg, 1 et 2 par le CoNRS ou la FNEGE, B pour les revues classées 3 et C pour les revues classées 4. On retient pour chaque revue son meilleur classement dans ces deux listes ;
- à cela s'ajoutent quatre exceptions votées par la Commission plénière (trois revues voyant leur classement amélioré, une quatrième revue étant ajoutée à la liste commune).

Des dissensions ont cependant abouti à la publication sur le site du Hcéres, à partir de 2015, de deux listes distinctes « Hcéres Économie » et « Hcéres Gestion » qui soulevaient des difficultés du fait de leurs nombreuses différences.

En décembre 2016, le Hcéres a fixé comme objectif à une Commission plénière de revenir à une liste unique de revues pour le domaine SHS1 « Économie et Gestion » et de définir les conditions d'actualisation de celle-ci. Cette Commission réunit deux représentants du CNU 05, deux représentants du CNU 06, deux représentants des associations scientifiques en économie, deux représentants des associations scientifiques en gestion, le Conseiller scientifique économie, la Conseillère scientifique gestion. La section 37 du CoNRS, bien qu'invitée à participer pour faire suite à sa présence dans la Commission de septembre 2014, a indiqué qu'elle ne souhaitait pas s'associer aux travaux de la Commission.

La Commission plénière de janvier 2017 a confirmé les principes de constitution d'une liste commune de revues pour l'Économie et la Gestion : fusion des listes classées de revues du Collège scientifique de la FNEGE (dernière version publiée) et de la section 37 du CoNRS (dernière version publiée), en retenant pour chaque revue son meilleur classement dans ces deux listes ; maintien des reclassements et de l'ajout d'une revue introduits par la Commission de septembre 2014. En outre, une liste de 15 revues supplémentaires, établie et classée par un accord au sein de la communauté des économistes (section 37 CoNRS, AFSE, AFEP) en mai 2016, a été soumise à l'accord de la Commission de janvier 2017. Cette proposition a recueilli la majorité des suffrages exprimés.

Une mise à jour de la liste a été réalisée le 25 janvier 2018.

En 2019, la Commission s'est réunie le 30 janvier. Elle était composée des personnes suivantes :

- Véronique DES GARETS, Université François Rabelais Tours, Présidente de la 6^e section du CNIJ
- Géraldine SCHMIDT, Université Paris 1, Vice-Présidente de la 6^e section du CNU
- Jérôme VICENTE, Sciences Po Toulouse, représentant Alain AYONG LE KAMA, Université Paris 10 Nanterre, Président de la 5^e section du CNU
- Damien SAUZE, Université Lyon 2, représentant Francis BLOCH, Université Paris 1, Vice-Président de la 5^e section du CNU
- Valérie MIGNON, Université Paris Nanterre, représentant Claude DIEBOLT, Université de Strasbourg, Président de l'AFSE
- Jean-Paul DOMIN, Université de Reims, représentant Florence JANY CATRICE, Université de Lille, Présidente de l'AFEP
- Maurice THÉVENET, délégué général de la FNEGE
- Gilles LAURENT, INSEEC, représentant du Collège scientifique de la FNEGE Conseillers scientifiques :
- Stéphanie CHATELAIN-PONROY, conseillère scientifique du HCERES
- Pascal MARTY, conseiller scientifique du HCERES
- François-Charles WOLFF, conseiller scientifique du HCERES

La section 37 du CoNRS, invitée à participer pour faire suite à sa présence dans la Commission de septembre 2014, a indiqué qu'elle ne souhaitait pas s'associer aux travaux de la Commission.

II. La liste commune de janvier 2019

La liste Hcéres « Économie et Gestion » présentée ci-dessous (mise à jour le 30 janvier 2019) comprend 913 revues parmi lesquelles 466 revues de gestion proprement dites provenant de la liste du Collège scientifique de la FNEGE, et 831 figurant sur la liste du CoNRS.

Les 913 revues classées se répartissent en 343 revues classées A (37,6%), 327 classées B (35,8%), et 243 classées C (26,6%). Les revues ayant cessé de paraître sont signalées par une « petite croix » (†).

III. Principes d'actualisation

Le principe régissant la gestion des listes de revues au Hcéres est celui d'une révision annuelle de ces listes, effectuée en vue de la campagne d'évaluation qui doit suivre. Cette révision annuelle est décidée lors d'une réunion de la commission compétente qui a lieu au cours de la phase de préparation de la nouvelle campagne d'évaluation. Ainsi, la prochaine réunion de la Commission plénière compétente pour les sciences de gestion et les sciences économiques devra avoir lieu entre décembre 2019 et janvier 2020 pour que ses décisions soient appliquées lors de la campagne d'évaluation 2020-2021 (vague B), dont les évaluations commenceront en octobre 2020 et se poursuivront jusqu'en avril 2021.

Lors des prochaines réunions de la Commission plénière, la méthodologie d'actualisation sera la suivante. Une mise à jour de la liste sera réalisée par les conseillers scientifiques économie et gestion à partir des versions les plus récentes des listes du CoNRS et du Conseil scientifique de la FNEGE et adressée à l'avance aux membres de la Commission plénière. Toutes les revues qui ne feront pas partie de cette liste FNEGE ou de celle de la section 37 du CoNRS (car ne figurant ni dans la liste du CoNRS, ni dans celle du Conseil scientifique de la FNEGE) seront examinées par la commission plénière d'actualisation : une à une pour les nouvelles revues s'il y a lieu et sur la base d'un tirage aléatoire d'un tiers pour les revues déjà présentes (les exceptions acceptées lors de la commission plénière de septembre 2014 et les 15 acceptées en janvier 2017). Cet examen reposera sur des éléments factuels établis par les délégués scientifiques, après une instruction préalable commune et adressés à l'avance aux membres de la Commission plénière. La liste mise à jour et les éléments factuels sur les autres revues doivent être adressés aux membres de la Commission plénière au moins deux semaines (en excluant les périodes de congés) avant sa réunion. Il est convenu qu'aucune revue ne sera traitée par la Commission plénière si les éléments factuels la concernant n'ont pas été transmis à cette date.

Pour tout renseignement, s'adresser aux conseillers scientifiques chargés de l'actualisation des listes de revues. Pour les travaux effectués par les unités de recherche dans d'autres champs disciplinaires, il convient de se reporter aux listes établies par les commissions d'actualisation correspondantes (sous réserve de leur existence).
